Welcome Aboard

Enjoy the best of the Pacific Northwest aboard our Columbia and Snake river cruises. Embark on a river cruise to see that the natural world is alive here – unlike anywhere else on earth – and through historic sites and locks and dams, it flows. Sea lions sunbathe on buoys as the distant horizon unblankets the sky to reveal its snow-capped mountains between Portland and Spokane.

There is a powerful melody through Oregon and Washington that combines the whistle of wind through tree branch, waterfall crash and birdsong from above. Crystal waters and plunging cliffsides captivate the eye; serenity and relaxation capture the spirit as you cruise down the river.

THE FLAVORS OF THE RIVERS

Regionally inspired food is a way of life on the river. Wild salmon, so fresh it might have been swimming this morning, grilled to perfection. Moonshine bread pudding that evokes echoes of the Tennessee hills. A succulent dumpling that reminds you why Washington apples are the world's favorite temptation.

LIFE ON THE RIVERS

The moment you step aboard, you know this is something special. You're surrounded by world-class art, beautiful furnishings and perfectly selected amenities. You're welcomed by crew and staff whose sole desire is your comfort, enjoyment and safety.

And beyond that, you'll connect with new sights, dialects, cultures and traditions. You'll meet like-minded travelers who share stories and invite you to do the same. The familiarity of the space grows by the day – with every “good morning,” with each new friendship formed. Memories made on board are the finest souvenirs you'll take home.

THE WONDERS OF THE RIVER

Comprehensive, guided shore excursions are the highlight of every day in port. Expect to connect with people who have made the rivers their home, to learn firsthand how the rivers shape their past and future. Each experience has been thoughtfully designed for you, whether you're visiting a historic home, losing yourself in a local museum or delving into unique regional traditions and cultures.

THE CHARMS OF THE RIVERS

Since the days of the legendary showboats, America's riverboats have been centers of music, folklore and theatrical delight. From the American Queen's spectacular Grand Saloon to intimate venues throughout every boat, you'll find so much to see, hear and do that your only problem will be fitting it all in. Entertainment for your mind is abundant, as well, with fascinating storytelling, enlightening lecturers and engaging Riverlorians.
